ONTARIO, K9J 7C3  
PHONE: 705-743-2040  
FAX: 705-743-4392  
WEBSITE: <http://www.ptboclinic.com>

## COVID-19 PATIENT SCREENING CHECKLIST:

Patients who wish to skip the line for screening, may complete this **COVID-19 Checklist** before arriving at the Clinic for their appointment and provide it to the screening team at the front entrance. Checklists will be kept strictly confidential by The Peterborough Clinic.

In order to enter the clinic for any reason you **must meet the following conditions:**

**Check**

- 1) I am wearing a mask or scarf
- 2) I am alone – no visitors unless you require one (1) personal care provider
- 3) I did not arrive early – no more than 5 minutes before your appointment
- 4) I am not wearing gloves – you will be required to sanitize your hands

  
  
  

**Do not come to the clinic** if you answer “yes” to **ANY** of these questions.

1. Do you have any COVID-19 symptoms listed below?

YES

fever, new cough, difficulty breathing, sore throat, unexplained congestion, loss of taste/smell, difficulty swallowing, unexplained headache/fatigue/muscle aches, diarrhea, pink eye, abdominal pain, nausea/vomiting, (if you are > 70 yrs also consider delirium, falling down, functional decline, worsening chronic conditions)

2. Are you awaiting a COVID-19 test result because you had symptoms?

YES

3. Have you been advised to self-isolate for any other reason?  
(i.e. close contact with an unresolved case of COVID-19)

YES

4. Have you, or someone you live, with travelled outside Canada in the past 14 days?

YES

5. Do you reside at a Congregate Living Setting (including any Long-Term Care home) that is currently on an unresolved respiratory outbreak (declared by Public Health)?

YES

I have read and completed the above checklist:

Please Note:

The Peterborough Clinic is fully accessible. If you require the use of the elevator, it is currently restricted to one person (plus one caregiver if necessary). This measure is in place to provide physical distancing to stop the spread of COVID-19. Please inform the screener at the front entrance if you require the use of the elevator as additional wait time may be required. Stairs are encouraged for anyone who does not need the elevator to reduce wait times.
